

'Sick Note to Fit Note'

Join us at our **FREE** Lunchtime Seminar

The Kirklees Business Partnership (KBP), Better Health at Work (BHAW), The Howarth Partnership Ltd and Kirklees Regeneration & Economic Development Service are organising this seminar.

The seminar will include two short presentations delivered by The Howarth Partnership Ltd & BHAW followed by a Questions and Answer session.

From 6 April 2010, 'Fit Notes' replaced 'Sick Notes'. The new fit notes are designed to lower employee absence rates and support employees return to work by numerous methods. This seminar will present an overview of the new fit notes and how they are designed to benefit both employee and you as an employer.

It is estimated that stress affects 1 in 5 people in Kirklees. The BHAW seminar will demonstrate how to manage stress in the workplace, support your staff and prevent sickness absence.
